

## Convention Committee Report

The annual Alabama State Convention was scheduled for April 23 – 25, 2021. We were hoping for an in-person convention but at the beginning of the year we were not confident that delegates would attend. The State Deputy polled the councils and Ladies Auxiliaries and the majority said they would not attend an in-person event. Based on these results it was decided to hold a virtual convention again this year.

The virtual convention will be held the same dates, April 23-24, 2021. The State Officers will meet in Huntsville. We will use the facilities at St John the Baptist Catholic Church to conduct and broadcast the meeting to delegates throughout the state.

Plans are to return to an in-person convention in 2022. We have reservations at the Capstone Hotel in Tuscaloosa for April 22-24, 2022.
