

STATE SOCCER CHALLENGE REPORT FOR 2020

The State competition was held in September-October time frame. There were 4 councils that participated. This was a 400% increase from the year before.

A Virtual State competition was held. Scores from the Council level and District level were added together to determine the winners for the State competition. Winners in 11 categories were awarded a K of C Soccer Ball along with a certificate.

For 2021, the challenge is to get more Councils to step up and hold a competition. This event takes involves about 4 Brothers on a Saturday/Sunday afternoon for about 2 hours. Make it a family event. Use it as a recruiting tool to show the K of C is more than Bingo and Fish Fries.

Now is the time to order the Soccer Kit from Supreme.

Look for more guidance in August. A virtual State competition will be held again this year.
