

Report Forms Director – Michael Weist, DD, DM

The purpose of the Report Forms Director is to support the Councils and Assemblies alike and help the leaders navigate the plethora of forms and procedures in place to run a council and or assembly. I can report, we have been able to train and educate many new and old leaders, helping to traverse the laws and rules and push for 100% compliance. The job of Financial Secretary or Comptroller, Grand Knight or Faithful Navigator can be daunting, but it is manageable if the leader embraces the Knights of Columbus Website and the Officer's Online portal. These tools hold the keys to success.

The Alabama District consisting of 80+ councils and 40+ assemblies were responsible for submitting over 700 forms, both digitally and via the email/mail. The results of the past two year, were similar in outcomes with the following results for 83 Councils.

2020-2021	2021-2022 (as of 20 Apr 2022)
Form 185 – 1 not submitted	Form 185 – 4 not submitted
Form 365 – 11 not submitted	Form 365 – 13 not submitted
Form 1728 – 18 not submitted	Form 1728 – 15 not submitted
Form 1295 – 24 not submitted	Form 1295 – 32 not submitted
Form SP-7 – 16 submitted	Form SP-7 – 4 submitted

It is the hope of the State Council that all Councils submit on time and complete the forms to the best of their ability. Assistance is available from the Financial Secretary Trainer, Report Forms Director as well as the State Officers, District Deputies and Directors. We only ask that you ask if you need assistance.

Respectfully, Michael Weist Report Forms Director/Alabama.
