

## **Alabama State Council Knights of Columbus**

### **Training Director Report**

Congratulations on another successful year for the Alabama Knights!

For this coming year we will continue to offer the online training by the Supreme Council to all Grand Knights, Financial Secretaries, Faithful Navigators, Faithful Comptrollers, and District Deputies.

The State will continue to offer support and online training for the Supreme Member Management and Member Billing online applications. All Councils and Assemblies are encouraged to use these applications instead of manual or paper processes.

To assist with dissemination of training information, please keep your current officers updated in the Supreme Member Management application, especially current email addresses and phone #'s.

Respectfully Submitted,

*Alan*
