GENERAL RECRUITING BEST PRACTICES

- **Start with why.**

Recruiting is our opportunity to build our brotherhood and help our communities. To grow is to be able to expand your service. Your community needs your council now more than ever and your council needs to continually grow to help meet growing needs.

- **Talk to your pastor.**

A council that doesn't work with a pastor will struggle. Meet with him regularly. Talk about membership growth and ask him how you can work together. Ask if you can conduct membership drives at the church. Then ask if he will invite men he feels would be a good fit to join your council. Then ask what the council can do for him.

GENERAL RECRUITING BEST PRACTICES

- **Challenge your members.**

One of the most effective ways to recruit is a personal invite from a Knight. Challenge each of your members to bring in one new Knight this fraternal year. Everyone knows someone who should join our Order.

- **Schedule church drives.**

Delta Church Drive Program is helping councils bring in a minimum of three new members per drive. If you're not familiar with the program, reach out to us at the email address below. We'll give you the training and the materials you need.

GENERAL RECRUITING BEST PRACTICES

- **Set clear expectations on promoting membership.**

Every fish fry, every pancake breakfast, every charitable activity, every event that draws a crowd is an opportunity to ask a man to join. These events are concrete proof of your council's good works. Talk about membership at every event in the next year. Use our Online Prospect Form. It's simple and we'll take care of all the setup for you. Send us an email and we'll help you get started.

- **Step outside of your comfort zone.**

We hear a lot of stories from men who waited decades for someone to ask them to join the Knights. All it took was a personal invite. Go beyond your everyday circle. Talk with parishioners at Mass. Be visible. Reach out to the young and old. Reach out to all ministries and ethnic groups in your parish.

Every Council Active One is better then none

- Make personal contact with every Council that hasn't recruited one new member.
- Encourage them to strive for one new member before the end of the fraternal year.
- Be a positive contributor to the solution. Don't commiserate with them.
- One is better then none

Online Membership

History

- The Online Membership system was introduced in 2018 in an effort to make joining easier and less time consuming for the candidates for membership in today's fast paced world. It has proven to be a popular tool for initiating new members and its use has grown as we, as recruiters, have become more aware of its capabilities and become more comfortable using it.

Statistics

- FY 2018 – 2019 68 new members initiated
- FY 2019 – 2020 53 new members initiated
- FY 2020 – 2021 228 new members initiated
- FY 2021 – 2022 196 new members initiated with 128 members, 65%, transferring to a local council
- Overall intake of Online Members since inception, 564 with 355, 63%, converted to councils

Online Membership

How it works

- A candidate joins online at www.kofc.org/joinus on a computer or by cell phone or tablet.
- He receives free dues for one year, a limited time offer currently running through 6/30/2022, by using the promo code BlessedMcGivney during the registration process
- Upon joining the Order, the new member counts toward the new member goal of the Alabama State Council
- The new online member can remain an online member for life, if he prefers, or he can transfer to a local council **after** viewing or participating in an in person combined exemplification.
- Once the new online member has viewed the combined ceremonial, he may transfer to a local council, by making application, going through the council's admission committee process and being accepted and transferred into the council. Once he is transferred to a council, he counts as a new member toward the council's new member goal and he can participate in the good works of the council and enjoy the experience of a lifetime.

Potential Setbacks To Be Aware Of

- The verification process requires that the applicant have an active email address and be capable of receiving email on his phone in order to verify that he is who he says he is, etc. It has been suggested that Supreme change to a text message verification in an effort to make this process easier for the candidate.

Online Membership

Advantages

- The process is quick and easy for the busy young candidates living in today's world.
- It is available on a platform that most potential members are familiar with, phone, tablet, computer.
- It makes them members, with no wait for a degree ceremony to be scheduled, and they begin to receive information from Supreme to help them become more familiar with the Knights of Columbus while they await admission committee approval, view or attend the combined ceremonial, and are transferred, if that is their desire.
- Remember that anyone, including family members of the new member, can view the combined ceremony at any time and it is not necessary to await admission committee approval to get this step done. If they have viewed the ceremony when they are approved by the Committee, they can immediately be transferred to a council.

Online Membership

Thoughts going forward

- New officers gaining access to Officers Online, check your Prospect Tab for e-members assigned to your council. You may have a great start on your new member goals for the year and one of the hardest goals we have to achieve to qualify for Star Council Status.
- Contact them and see if you can get them transferred into your council.
- If something prevents their being transferred into your council, please reject them. There is nothing wrong with rejecting them, that is the reason for this option in the system, and you will reduce the clutter in the system. When rejecting a candidate, you will be asked to choose a reason from three choices. Choose the one that best fits and go forward. You are not kicking them out of the Knights of Columbus, you are helping to keep the system manageable.

Prayer for the Canonization of Blessed Michael McGivney

God, Our Father, protector of the poor and defender of the widow and orphan, you called your priest, Blessed Michael McGivney, to be an apostle of Christian family life and to lead the young to the generous service of their neighbor. Through the example of his life and virtue may we follow your Son, Jesus Christ, more closely, fulfilling his commandment of charity and building up his Body which is the Church.
